

"HASHTAG BLESSED" BY AMANDA CALDARI

EXT. HEAVEN - DAY

A bunch of angels are drinking at a bar after work.

ANGEL 1

(scrolling through phone)

I love that Twitter lets us watch over Earth without having to leave Heaven.

ANGEL 2

You know what I don't love? People who use the hashtag 'Blessed'.

ANGEL 3

It's like they have no idea what the word means.

Angel 1 reads tweet out loud.

ANGEL 1

Here's a good one: "*In just three years we bought a house got engaged got married and had a baby. Hashtag blessed.*" And then there's a picture of the three of them at an Applebee's.

Angel 1 holds up his phone to show the picture.

ANGEL 2

Blessed is when you die and get resurrected. Not when you get boneless wings for half the price.

ANGEL 1

The other day I helped this guy through surgery, right? When he woke up in the hospital bed guess who he thanked?

ANGEL 3

Jesus Christ?

ANGEL 1

His doctor! Like she had anything to do with it.

ANGEL 2

It's like hi, hello, shining down on you from above.

ANGEL 1

You spend half an eternity in angel school and they thank the lady who's paid to be there.

ANGEL 3

You think that's bad? Last night I had to watch over a person having sex and going "Oh, God, Oh, God. Oh, God."

ANGEL 1

Gross.

ANGEL 3

After the date she told her friend she's "literally in heaven". But really she was in the Radisson off i-10.

ANGEL 2

Classic.

ANGEL 1

How about the phrase "heaven gained another angel"? I'm up here like uh, no we didn't, Karen from accounting. No one dies and becomes an angel.

ANGEL 2

No, they just die and *enjoy* heaven. Meanwhile we work here.

ANGEL 2

You know what else bothers me? People who say "It's a miracle." It's NEVER an actual miracle.

ANGEL 1

Don't even get me started. Last week this guy ran a stoplight and crashed into a pole. Everyone's saying it's a miracle he's still alive. Honey, that's not a miracle. That's a seatbelt.

ANGEL 2

I don't know what's worse-not getting credit for actual miracles or getting credit for things we had nothing to do with.

ANGEL 3

Like when the Mets won the World Series.

ANGEL 1

Or when KFC brought back the Double Down Sandwich.

ANGEL 2

It makes me want to send out a press release. Heaven had no part in this.

ANGEL 2

Don't get me wrong, I love what we do here. But sometimes I think God is testing me. Last week I had to be the Guardian Angel to all six Real Housewives of New Jersey.

ANGEL 3

Have you talked to God about a transfer?

ANGEL 2

Yeah, right after he assigned me to that lady with the 'can I speak to a manager' haircut.

ANGEL 1

The one who died in a Chevy Tahoe?

ANGEL 2

It was a Kia Sorrento. And she had one of those window decals with the stick figure family.

ANGEL 3

Oh, right. We sent her to Purgatory for that.

ANGEL 2

Yeah, and now she's here. Living a hashtag blessed life. I ran into her the other day and you know what she was drinking?

ANGEL 1

The blood of Christ?

ANGEL 2

Barefoot Moscato. From a glass that

said "wine o'clock".

ANGEL 3

And you didn't immediately banish her
to Hell? You really are an angel.

ANGEL 1 signals to bartender.

ANGEL 1

Can we get another round of Cherub
Tears?

BARTENDER

Sure thing. These are on Satan.

BLACKOUT
